From Pesaro to New York

CATERING

Casa Piada is a family-owned Italian café in New York City's West Village inspired by Italy's Adriatic coast.

Our specialty is piada, a traditional flatbread from Pesaro made using a recipe that has been passed down for more than 700 years.

Every week, our dough is prepared in Italy and brought directly to New York, allowing us to serve an authentic product rarely found outside of the region.

Our cured meats come exclusively from the renowned Rovagnati family, whose passion for craftsmanship has made them one of Italy's most respected names in charcuterie.

Since opening in April 2026, we have been proud to cater events for brands including Nike, Saint Laurent, Real Simple, leading law firms, creative agencies, and many others.

Our catering menu includes piadas, salads, Italian sodas, imported Italian chips & bomboloni .

Every menu can be completely customized to fit each client's needs, whether it's an office lunch, private event, or brand activation.

At Casa Piada, our goal is simple: to bring a little piece of Italy to every table.
